“There's No Way Out Of Here” (K. Baker)

There's no way out of here, when you come in you're in for good
There was no promise made, the part you've played, the chance you took
There are no boundaries set, the time and yet you waste it still.

So it slips through your hands like grains of sand, you watch it go
There's no time to be lost, you'll pay the cost so get it right
There's no way out of here, when you come in you're in for good.

And never was there an answer, there an answer
Not without listening, without seeing.

There are no answers here, when you look out you don't see in
There was no promise made, the part you've played, the chance you took
There's no way out of here, when you come in you're in for good.

And never was there an answer, there an answer
Not without listening, without seeing.

There's no way out of here, when you come in you're in for good
There are no answers here, when you look out you don't see in
There was no promise made, the part you've played, the chance you took.

There's no way out of here, when you come in you're in for good
There's no way out of here, when you come in you're in for good
There are no answers here, when you look out you don't see in
There's no way out of here, when you come in you're in for good.
