

David Gilmour - On An Island

On An Island 6th March 2006

“The Blue” (Gilmour & Samson)

Shameless sea
Aimlessly so blue
Midnight-moon shines for you.

Still, marooned
Silence drifting through
Nowhere to choose
Just blue...

Ceaselessly
Star-crossed you and me
Save our souls
We'll be forever blue.

Waves roll
Lift us in blue
Drift us
Seep right through
Colour us blue.

Wait for me
Shameless you, the sea
Soon, the Blue
So soon...
